I know that hiking, kayaking and bicycle riding are potentially hazardous activities. I assume all risks associated with participating in this tour including but not limited to falls, injury or damage to my equipment as a result of contact with other participants, the effects and impact upon the ride and my safety of the weather, including rain, lightening, high heat and/or humidity, and the conditions of the roads, trails and waterways, all such risks being known and appreciated by me. Knowing these facts, I hereby, at my own risk participate in this tour. I, my estate, and my heirs waive any claims for damages or injuries that I may have as a result of my participation in this tour against Cycle New England, its owners, representatives and employees. I understand that helmets are required for all riders on the bicycle tours, and that Personal Floatation Devices are required for all paddlers. I am well aware that I'm expected to hike, paddle and ride with courtesy, caution and common sense. To my knowledge, I have no medical conditions that would be impacted by my participation in this tour and I have not been advised by a medical care provider not to participate in any of the activities included in this tour.
